We are reviewing information on the 2022-2023 Free Application for Federal Student Aid (FAFSA) and we need some additional documentation before we can determine eligibility for financial aid. We need to determine the correct total of parents’ net worth of business and/or investment farm, as of the date the FAFSA was originally signed.

The parent(s) should complete and sign this form and submit it to the address below. Additional documentation may be requested after this form is reviewed. **No determination of aid eligibility can be made until all requested documents are received and reviewed.**
